The Masters School

December 6, 2005

Dear Parent or Guardian,

We are pleased to announce that The Masters School will be hosting a Princeton Review SAT Prep course for all interested juniors this winter. The course consists of eleven sessions, eight instructional classes and three diagnostic tests, and will be taught by Princeton Review Instructors. The dates of the class are listed on the enclosed flier and are scheduled to best prepare students for the May 6, 2006 SAT. Please take a moment to review these dates; note that all of the sessions are on Saturdays, except for one. (The class will meet from 6:00pm to 9:00pm on Wednesday, March 8, as an accommodation for the first weekend of Spring Break, March 10th.) Students who want to take advantage of this opportunity must make a concerted effort to be present for every session.

The school is able to offer the course at an excellent price: \$525 per student – almost half the price of a Princeton Review course off site! The fee includes the cost of instruction, the lesson book, three full practice tests with detailed test score analysis, and access to a 24-hour Online Student Center.

All interested students should complete the form below and return it to me with a check payable to The Masters School by Friday December 16, 2005. Students requesting financial assistance must see me by December 14th. Please feel free to contact me if you have any questions or concerns. I can be reached at (914) 479-6442, or via email (ereed@themastersschool.com). I look forward to hearing from you.

Sincerely,

Erica Reed
